

Culture Fair

Friday, April 8, 2022

10:30 am - 1:00 pm

This will be a full school day, not half day.

**Hola! Namaste! Ciao! Konnichiwa, Bonjour!..
to all parents, families and friends...**

We are looking forward to our Culture Fair and hope you will all be here to celebrate the excitement of the many cultures of the world with your children!

**All Toddler and Primary children must have a
parent with them at the fair!**

Toddler and Primary parents: you have the option of bringing your child to his or her class at the usual time, 9:00 am and returning by 10:15 to join them for the festivities or you may come to school a little later *with* your child and enjoy the fair.

We will offer our usual morning (8:00 am) and (5:30 pm) extended care.

The fair will be outside of Steve's barn, with singing by students from the primary, kindergarten and elementary classrooms.

The singing will be followed by our traditional flag parade, and then elementary students will share games, crafts and food from the country or culture they have been researching. You can "visit" these countries with your children and learn something about them. As you visit each country booth, help your child get stamps for their passports!

**Our patio will be set up for our
"World Foods" potluck!
We ask that you please bring
something to share, from somewhere
in the world!**

Adios and Merci!
